Sherri and I had an opportunity to visit Orlando, Florida recently. It was a great trip and the first time we had traveled anywhere since 2015. Photos will be uploaded to the gallery soon, but I will post a couple hear as a teaser. We got the chance to visit Universal Theaters during Halloween Horrors nights, where I rode a roller coaster The Mummy, for the first time since before heart, Sherri rode a couple of others. We didn't get to due the Hulk due to a storm. It was still great fun and I highly recommend that people visit there if when they get a chance.
